A woman wearing a yellow and gold patterned shawl and white gloves is seated at a desk. She is using a small electronic device, possibly a blood pressure monitor or a pulse oximeter. On the desk in front of her are several sheets of paper with text and tables, a blue pen, and a small blue circular object. The papers appear to be forms or data sheets related to the health check-up.

A group of men are gathered around a computer workstation. One man in a white shirt is seated at the desk, looking at the monitor. Another man in a light yellow polo shirt is standing and talking to him. A man in a blue t-shirt is also standing nearby. In the foreground, a man in a plaid shirt is seated, looking towards the computer. The setting appears to be an office or a computer lab.
